THE QUALITY LEADER IN RENTAL RUGGED, RENTAL PROFITABLE DRAIN CLEANING TOOLS

RLT-10 LSG 1216 Rev. 3/14

Electric Eel®

YOUR SUPERIOR SOURCE...

1939 2014

For a complete line of highly profitable, rental rugged drain cleaning equipment designed specifically for the rental market... all backed with industry leading product quality, service and support that includes a nationwide network of sales representatives.

THE QUALITY LEADER IN DRAIN CLEANING TOOLS

FOR THE RENTAL INDUSTRY

Your Superior Choice of Drain Cleaning Tools for the Rental Industry

Model C
Sectional Cable Machine
 Cleans 3" – 10" dia. lines up to 200 ft.
 The original dual cable sectional drain cleaner from Electric Eel has been generating profits for nearly 5 decades in the rental industry. The Model C spins the 8 or 10 ft. cables at twice the RPM of that of a continuous cable machine for maximum cleaning power. The Model C is ideal for tougher blockages such as tree roots and for longer runs in main sewer lines.

KEY FEATURES / BENEFITS

- Safety – No handling of rotating cables
- Lower Maintenance – The sectional cables can be quickly inspected and cleaned
- Reduced Replacement Costs – Sectional cables can be replaced at a much lower cost than a 100 ft. cable
- No Down Time – You'll never miss a rental with a Model C due to a broken cable
- If a section is ever damaged, simply set that cable aside and continue the job
- Ease of Transport – The Model C drive unit weighs only 72 lbs.
- The handle folds down for easy transport and storage
- More Power – The heavy duty motor is available in 1/2 H.P. (Standard), 3/4 H.P., and 1 H.P.
- Safety Slip Clutch – Keeps tools and cable breakage to a minimum

MODEL C STANDARD KIT (CK-R-1/2-8TRS)

- 1/2 H.P. Drive Unit
- (13) 8 Ft. T.R.S. Cables (104 Ft.)
- SC-13 Feeding Tool
- SC-18 Spanner Wrench
- Set of (5) Cleaning Tools

NOTE: Optional cable containers available for transporting cables.

EJ-1500 Electric Jetter

Cleans 1-1/2" – 4" dia. lines up to 100 ft.
 The EJ-1500 electric jetter is ideal for cleaning grease, sand, soap and sludge from small drain lines. Perfect preventative maintenance tool for restaurants, hospitals, schools and professional maintenance applications.

KEY FEATURES / BENEFITS

- Cleans 1 1/2" – 4" dia. drain lines
- 1500 PSI / 1.7 GPM
- 1.5 H.P., 15 AMP motor
- Duplex pump w/pulsation
- Reel capacity 150 Ft. of 1/4" hose
- Pump/Motor assembly removes in seconds for added portability
- Sturdy 10" pneumatic tires for ease of transport
- Thermal relief valve and inlet shut off valve
- Removable handle/reel on cart assembly
- Utilizes 1/8" and 1/4" dia. jet hose
- 20 Ft. power cord w/GFCI

EJ-1500 STANDARD KIT (EJ-1500D)

- Tool bag and rubber gloves
- Pump / Motor assembly on cart with (2) pneumatic tires
- 1/8" nozzle set
- 1/4" nozzle set
- 1/4" x 100' drain hose
- 1/8" x 50' hose assembly

Model R
 Cleans 3" – 6" dia. lines up to 100 ft.
 The compact Model R drain and sewer cleaning machine runs either 5/8" or 3/4" dia. "Tri-Max" inner core cable in lengths up to 100 ft. This unit is ideal in situations with limited working space. The Model R utilizes the same quick connect "snap lock" tool fittings as the Model C.

KEY FEATURES / BENEFITS

- Heavy duty 1/3 H.P. capacitor start motor
- Rugged 1-1/4" steel frame
- Removable handle for easy transporting and work in tight spaces
- Snap lock tool connectors hold tools firmly in place – no screws to come loose or rust
- Large 10" wheels for easy maneuvering
- Easy-to-use air operated foot switch allows use of both hands when working with cable
- Built-in GFCI with 20 ft. power cord
- Reinforced cable cage totally open for quick inspection and cleaning
- Runs the industries toughest TRI-MAX cable in 5/8" x 3/4" diameter
- Available with auto cable feed

MODEL R STANDARD KIT (RK-3/4IC100)

- Model R 1/3 H.P. machine • 3/4" x 100' Tri-Max cable
- Set of (4) cleaning tools • 12" flexible leader
- SC-18 Spanner Wrench • Leather gloves • Tool bag

Model CT

Cleans 3/4" – 2-1/2" dia. lines up to 50 ft.

The Model CT Counter Top drain cleaner with UNIQUE variable speed motor feature is more user friendly and helps keeps work areas clean.

KEY FEATURES / BENEFITS

- UNIQUE variable speed motor feature for maximum cable control
- Two-way auto cable feed keeps hands off rotating cable, advances and retrieves cable with push of a lever
- Cable guide hose eliminates cable whipping and helps keep work area clean
- 1/5 H.P., 90 Volt DC motor for quiet, powerful and dependable operation
- Easy-to-use air operated foot switch allows use of both hands when working with cable
- Lightweight and compact for ease of transport and storage
- 2 position operation of well balanced steel tubular frame
- Stainless steel drum will not rust and resists denting
- Heavy-duty housing protects motor and internal wiring
- Runs 1/4", 5/16" and 3/8" dia. cable
- GFCI with 20 ft. power cord

MODEL CT STANDARD KIT (CT-5/16EIC25-AF)

- CT power unit • Auto cable feed • Guide hose
- 5/16" x 25' EIC Cable

Model Z5

Cleans 1-1/4" – 3" dia. lines up to 100 ft.
 Fills the gap for jobs requiring a longer run in smaller drain lines.

KEY FEATURES / BENEFITS

- Built on heavy-duty steel frame with folding handle for easy storage and transport
- Totally open cable cage for easy inspection and cleaning of cable
- Wheel break stabilizes unit while in operation
- Power cord is wrapped around conveniently placed brackets for safe, problem free transport
- Easy-to-use air operated foot switch allows the use of both hands when working with cable
- Built-in drum shaft slip clutch minimizes cable and tool breakage
- Unique inner drum design eliminates cable tangling in cage
- Larger 10" wheels for better maneuverability
- Rear bar for motor protection
- Rugged 1/3 H.P. motor
- Available with auto cable feed

MODEL Z5 STANDARD KIT (Z5K-1/2IC75)

- Z5 1/3 H.P. machine
- 1/2" x 75' Galvanized aircraft wire inner core cable
- Set of (5) cleaning tools • Leather gloves
- "T" wrench • Tool bag

Model E
 Cleans 1-1/4" – 3" dia. lines up to 50 ft.
 A professional quality yet affordable drain cleaner for indoor lines up to 50 ft. The Model E is a common and widely rented machine popular with homeowners. The Model E utilizes both 3/8" and 1/2" diameter cables.

KEY FEATURES / BENEFITS

- Rugged 1/3 H.P. motor
 - Cord wraps for easier transport
 - Rear bar to shield motor and allow for two position operation
 - Inner drum to eliminate cable buckling in cage
 - Built-in drum shaft slip clutch
 - Heavy duty steel tubular frame
 - Easy-to-use air operated foot switch allows use of both hands when working with cable
 - Built-in GFCI with 20 ft. power cord
 - Cast aluminum bracket with bearing supported guide tube
 - Optional 2-wheel dolly
 - Available with auto cable feed
- MODEL E STANDARD KIT (EK-R-1/2IC50)**
- Model E machine
 - 1/2" x 50' Galvanized aircraft wire inner core cable
 - Set of (3) cleaning tools • Leather gloves
 - "T" wrench • Tool bag

Model S

Cleans 1-1/4" – 2-1/2" dia. lines up to 35 ft.
 The industry's highest quality hand held drill powered drain cleaner is ideal for smaller, inside lines such as sinks, tubs, and showers. The Model S runs 5/16" and 3/8" dia. cables up to 35 ft.

KEY FEATURES / BENEFITS

- Stainless steel cable drum won't rust, break or crack
 - Cast aluminum hand guard
 - Jacobs easy to tighten chuck
 - Variable speed, 1/2" reversing drill with double ball bearing gear head for longer life
 - Double insulated drill for shock protection
 - Cables are constructed of certified music wire – all inner core cables have genuine aircraft wire inner core for longer lasting operation
- MODEL S STANDARD KIT (SK-R-3/8EIC25)**
- Model S machine
 - 3/8" x 25' Expanded end inner core cable

Hande Drain Cleaner

Opens clogged sinks, lavatories, bathtubs, and shower stall drains.

- 1/4" or 5/16" Music wire cable for maximum flexibility and durability
 - 1/4" Cable negotiates most bathtub crossbars
 - Heavy duty steel drum holds up to 35' cable
 - Convenient thumb screw locks cable securely
- HANDE STANDARD KIT (HE-1/4E25)**
- Hande drain cleaner with 1/4" x 25' cable

Closest Auger (CA-3A)

Removes obstructions in any type of toilet.

- 3' Music wire cable for greater flexibility
- Heavy duty zinc plated construction
- Protective tubing helps prevent marring of toilet bowl

Kinetic Water Ram

Uses a slug of compressed air which suddenly, swiftly and safely strikes the column of water in a blocked pipe.

STANDARD KIT (EKWR)

- Caulking hose
- 5 rubber plugs
- 4" rubber cone

Model K

Cleans 1-1/4" – 3" dia. lines up to 100 ft.
 The Model K manual powered drain cleaner is a lightweight, less expensive alternative to electric powered models. This unit is ideal for rooftop work in downspouts.

KEY FEATURES / BENEFITS

- Runs up to 100 ft. of 1/2" galvanized aircraft wire inner core cable
 - Powder coated cable cage rotates freely
 - Self-aligning bearings
 - Steel side braces on frame for extra durability
 - Thumbscrew locks cable at front of cage
- MODEL K STANDARD KIT (KK-1/2IC50)**
- Model K with 1/2" x 50' inner core cable
 - Set of (3) cleaning tools
 - "T" wrench • Tool bag

T.R.S. Cables (Tool Rental Special)

These cables have a larger diameter wire in the outer cable which is coiled to a closer pitch than the standard dual cables. The self-feeding action is slower than the standard cable and they are more flexible, making them ideal for tool rental use.

Available in 8 Ft. or 10 Ft. sections:

- 8TRS (8 Ft. Regular TRS Cable)
- 10TRS (10 Ft. Regular TRS Cable)

NOTE: Above also available in "Heavy Duty" (5/8" inner cable).

Compatible with other Major Brands!

Cables for every need

- Self-feed Dual Cables for 3"-10" lines available in regular, heavy-duty and municipal
- Tri-Max 3/4" or 5/8" cable with slot or keyhole end fittings to fit most drain cleaning machines
- 1/2" Aircraft Wire Reinforced Cables with front & rear fittings (available in No Care)
- Aircraft Wire Reinforced Cables (5/16" and 3/8") for use with Drop Head series tools
- Expanded End Aircraft Wire Reinforced Cables with bulb end & no rear fittings (5/16", 3/8")
- Expanded End Cables to negotiate pipe traps & drain cross bars (1/4", 5/16", 3/8")
